

## IOSH MANAGING SAFELY

Managing Safely is unlike any other course. You'll find a practical programme, full of step-by-step guidance, and a sharp business focus. But you'll also find that the highly innovative format and content engages and inspires your staff – critical to getting safety and health embedded across the whole organisation.

### Who Managing Safely is for?

Managing Safely is designed for managers and supervisors in any sector, and any organisation worldwide. They won't suddenly become safety experts – but they'll get up-to-speed on the practical actions they need to take, and gain the knowledge and tools to tackle the safety and health issues they're responsible for. Importantly, Managing Safely makes a powerful case for safety and health being an integral part of day-to-day management and business.

### Why Managing Safely works

- Designed for anyone, in any sector, worldwide
- Provides the knowledge and tools required to work safely
- Peace of mind from training that's designed and quality controlled by us
- Flexibility of delivery that suits your business
- Internationally recognised and respected certification
- Efficient and effective learning health, safety and environmental basics covered in a single programme

### What to expect from Managing Safely

- Memorable and thought-provoking facts and case studies
- Modules backed by clear examples and recognisable scenarios
- Summaries to reinforce key points
- Checklists and materials supplied for subsequent use in workplace
- Informal and interactive quizzes and discussions
- Evaluation using a multi-format question paper and a multiple choice hazard spotting exercise

Managing Safely covers...

- Assessing risks
- Controlling risks
- Understanding responsibilities
- Understanding hazards
- Investigating incidents
- Measuring performance

Successful delegates are awarded an IOSH Managing Safely certificate.
